# Property Protection Initiative

Protection of land owners. Prevents any government agency for changing or altering the zoning on owned land without the land owner initiating change.

Mining Property patented, establishes the mining aspect of land as deeded weather active or historic allows land owner exemption status as written:

“ Nothing contained in any ordinance by this chapter shall: prevent, restrict or otherwise regulate the use of occupation of land or improvements for railroad, mining, metallurgical, grazing or general agricultural purposes, if the tract is 5 or more contiguous commercial acres”

This allows patented mining claims on deeded property to have mining, gold panning, entertainment.

This allows agricultural ranching use to have: ranching, dude ranches and entertainment.

This allows agricultural farming use to have: farming, farmers markets and entertainment.

This initiative will protect all deeded land owners from unauthorized zoning changes without being initiated by land owner.

Government initiated changes:

Government notification must be through public printed notification posted signs on street corners. with proposed change and also send certified letters of proposed changes to landowner. The agency shall notify and publish through digital means any currently government used used portals 6 weeks in advance of a public hearing.

## Property Protection Initiative

Protection of land owners. Prevents any government agency for changing or altering the zoning on owned land without the land owner initiating change.

Mining Property patented, establishes the mining aspect of land as deeded weather active or historic allows land owner exemption status as written:

“ Nothing contained in any ordinance by this chapter shall: prevent, restrict or otherwise regulate the use of occupation of land or improvements for railroad, mining, metallurgical, grazing or general agricultural purposes, if the tract is 5 or more contiguous commercial acres”

This allows patented mining claims on deeded property to have mining, gold panning, entertainment.

Agricultural Ranching: establishes the agricultural aspect of land allows exemption status as written:

“ Nothing contained in any ordinance by this chapter shall: prevent, restrict or otherwise regulate the use of occupation of land or improvements for railroad, mining, metallurgical, grazing or general agricultural purposes, if the tract is 5 or more contiguous commercial acres”

This allows agricultural ranching use to have: ranching, dude ranches and entertainment.

Agricultural Farming: establishes the agricultural aspect of land allows exemption status as written:

“ Nothing contained in any ordinance by this chapter shall: prevent, restrict or otherwise regulate the use of occupation of land or improvements for railroad, mining, metallurgical, grazing or general agricultural purposes, if the tract is 5 or more contiguous commercial acres”

This allows agricultural farming use to have: farming. farmers markets and entertainment.

This initiative will protect all deeded land owners from unauthorized zoning changes without being initiated by land owner.

Government initiated changes:

Government must notify land owner their intent. Government notification must be through public printed notification posted signs on street corners within 1000 feet in all geographic locations N,S,E, West of land, with proposed change and also send certified letters of proposed changes to landowner. The posting shall be 6 weeks minimum prior to public hearing. The government agency trying to make change shall notify and publish through digital means any currently government used portals and social media 6 weeks in advance of a public hearing. This protects land owner and allows a public forum of potential change.

If landowner is not available for any reason stated:

medical condition, medical procedure, travel for any reason, incapacitated mental decline, any prior court proceeding, a designated person shall represent them with a notarized confirmation from the land owner executed by land owner or designated existing medical power of attorney.

Existing medical power of attorney must be dated prior to government notification to land owner.
