VOTE BOTH SIDES OF BOTH PAGES

PROPOSITION 312	COUNTY
REFERRED TO THE PEOPLE BY THE LEGISLATURE RELATING TO PROPERTY TAX	PROPOSITION 479
A "YES" vote shall have the effect of establishing the right to apply for a refund from a property owner's most recent property tax payment up to an amount that matches costs incurred by the property owner to mitigate the effects of a governing authority's repeated failure to enforce laws and ordinances prohibiting illegal camping, loitering, obstructing public thoroughfares, panhandling, public urination or defecation, public consumption of alcoholic beverages, and possession or use of illegal substances. If the documented costs exceed the amount of the most recent property tax bill, the property owner would be permitted to apply for a refund from their next property tax payment(s) to cover the balance of the initial claim. Property owners would be eligible annually for refunds until the taxing entity begins enforcing the relevant public nuisance laws. A "YES" vote has the effect of continuing the transaction privilege (sales) tax in Maricopa County for twenty years to provide funding for transportation projects as contained in the regional strategic transportation infrastructure investment plan.
